

# PERIMETER PROTECTION

## NON-WOVEN HEAVY DUTY SILT FENCE

### BSRF PRIORITY 1 GREEN BAND

#### Heavy Duty Silt Fence BSRF Priority 1 Green Belt

The fabric is a 36" wide, non-woven spun-bond polyester fabric with an internal scrim. The system utilizes wood stakes and a specific method of attachment. The BSRF, when installed as specified, produces a proven system with superior filtering capabilities in slurry conditions.

- **Green Belt**
